

**Welcome Back!!!**

Dear Elementary Families

This nine weeks, we will be working on getting back in the groove of things!

**K4 and K5**

Let's get started working on steady beat! We're learning about rhythm sticks, shakers, as well as learning to use our bodies as instruments.

**1<sup>st</sup> Grade**

We're reviewing steady beat and how to play instruments. Soon, we will move on to counting music and learning how it is organized as well as what it looks like.

**2<sup>nd</sup> Grade**

In second grade, we will be diving a little deeper into the division of meters, learning how to divide given notes and write our own measures!

**5h grade**

Before we get started on Spring Fling, we will take a little time to review what we know so far and learn some music from other lands.

### FALL SHOW

This year's Fall Show is Folk Songs and Tall Tales. It will again be the third and fourth grade. They will present a show with some great songs featuring rounds, solos, harmonies – even a recorder section! They will also be telling a few tall tales from America's history books like Paul Bunyan, Johnny Appleseed, and Pecos Bill.

The kids will need to wear blue jeans or uniform bottoms as well as either uniform tops or button-up shirts (girls and boys). No hats or boots. Tennis shoes only please.

The show is Sunday, October 25<sup>th</sup> at 2:00 in the MPR. The students will need to be here at 1:30 to get ready; the doors will not open until 1:30.

Looking ahead

Next, all the classes will continue in their studies, except 1<sup>st</sup> and 2<sup>nd</sup> grade, who will begin their Christmas Program, "Christmas at the Movies."
